

# Keep On

Kehlani

Sometimes I just be doing shit that don't make any fucking sense  
Like I just be doing shit knowing that it's no good for me  
All the time

Anything you're saying to me right now  
Probably have the right to say  
Any crazy things you're feeling for me tonight  
You can get it on out the way

'Cause I ain't been the best that I coulda been  
I ain't do the shit that I shoulda did  
But every time I come crawling on my knees  
You're there

And you just keep on taking me back  
And I don't know why you do  
'Cause I'm no good to you  
And you just keep on taking me back  
In your open arms, maybe I belong  
And you just keep on taking

You can yell and you can curse and call me a bitch  
Probably have the right to do  
You can tell the world that I'm a narcissist  
I would think they'd listen to you

'Cause I ain't been the best that I coulda been  
I ain't do the shit that I shoulda did  
But every time I come crawling on my knees  
You're there

And you just keep on taking me back  
And I don't know why you do  
'Cause I'm no good to you  
And you just keep on taking me back  
In your open arms, maybe I belong  
And you just keep on taking

Me back, and I don't know why you do  
'Cause I'm no good to you  
And you just keep on taking me back  
In your open arms, baby I belong  
And you just keep on taking

I'm not taking you back  
Oh, no, I'm not  
No, I'm  
Taking me, you're taking me really back  
No, I'm, no, I'm, no, I'm, no, I'm not
