

Coming Up Roses

Keira Knightley

When you were asleep
And I was out walking
The voices started to speak
And they wouldn't stop talking

There were signs all around
It really got my mind racing
You were right all along
Something's gotta change

Hold on
Hold on they're not for me
Hold on
Cause everything's coming up roses
Roses

Now we're back on the street
Found a song that's worth singing
The blur that knows a defeat
While your victory bell's ringing

My whole life's turned around
For this thing you keep chasing
You were right all along
It's me who's got to change

Hold on
Hold on they're not for me
Hold on
Cause everything's coming up roses

(Hold on, Hold on)
Aaahhh
(Hold on, Hold on)
Aaahhh
(Hold on, Hold on)
(Hold on, Hold on)
Aaahhh
(Hold on, Hold on)
Aaahhh
(Hold on, Hold on)
Aaahhh
(Hold on, Hold on)

Hold on
Hold on they're not for me
Hold on
Cause everything's coming up... [dramatic suspension]
Roses

(Everything's coming up roses)
(Everything's coming up roses)
(Hold on, Hold on)

Roses

(Hold on, Hold on)

(Everything's coming up roses)
(Hold on, Hold on)
(Everything's coming up roses)
(Hold on, Hold on)

Roses

(Hold on, Hold on)

Roses
