

Butterscotch

Keith Sweat

Hooo yeah, hooo yeah
You know we had to do again right? huh huh
Yeah
Hooo yeah, hooo yeah
Now just incase you forgot,
It went on something like... this
On and on and on and on
That's right
Oooooohhh It's me again

I remember the very first time that I met you
Couldn't take these eyes off you
There was so much I wanted to do with u babe

Ooh yeah, yeah yeah babe
Made a vow that I'd always be here
No matter what
Just the two of us
I am so sprung on you
I don't know what to do
I am so in love with you
Let me hear those sound yeah

Do you like the way it sounds when I put it down
When I make the noise like I do
Ooh ooh ooh Aw aw awe

(Your body) My body tastes like butterscotch
When u lick the spot, U lick up and down
Ooh ooh ooh
You qualify, let's do what freaks do

Boy I like it when u get on top
Boy just take your time
Boy you know u blowing my mind
Ah ah ah ya
Boy you know it's just ain't no sexual thing
The way I feel for you is real boy
Don't question me

Your fantasies I will fulfill boy
You should be loving me
Aaaaah

Do you like the way it sounds
When I put it down
When I make the noise like I do
Ooh oooh oooh aw aw aw
I like the way you scream my name
My body tastes like butterscotch
When you hit the spot you will be looking up and down
You qualify, let do what freaks do
Ooh ooh ooh ooh

I won't stop till I, hit the spot till I
I won't stop till I, make you hot till I
I won't stop till I, make you cream till I
