

I Knew That You Were Cheatin'

Keith Sweat

I knew that you were cheatin' on me, baby
You were cheatin'
I knew that you were cheatin' on me, baby
You were cheatin'

I tossed and turned on many a nights in my sleep
Yes, I did, baby
Wonderin' if you were with somebody else
Those late night times with your girlfriends
I knew it was all, all a lie
I knew you, knew you were with somebody else
How could you do me that way, girl

I knew it baby, I knew it baby
I knew you were cheating on me girl, Yes I did
Ooh, Ooh
How? How? I'll tell you how.
Ooh yeah girl.

I knew that you were cheatin' on me, baby
You were cheatin'
I knew that you were cheatin' on me, baby
You were cheatin'

Did you have to hurt me
What did I do wrong, tell me, girl
To make you wanna give your love away, girl
I wanna know, I got to know, baby
Didn't I give you everything you ever wanted, girl
Wasn't it enough, girl, or was it too much, girl
Oh, I got to know, girl, yeah

I love you, yes, I do, my baby
Baby, do I have to get on my knees
And prove it to you, girl?
Girl, I knew it, nobody told me
You were wrong

Don't ask me how I knew it, I just knew it.

I knew that you were cheatin' on me, baby
Yes I did girl.
All you had to do was tell me you didn't want me.
All you had to do is tell me you didn't need me girl.
Girl all you had to do is tell me you didn't want me
Baby, no, no, no 15-18 times
I can't take it no more baby
I can't take this no more baby.
I knew it, I knew it, I knew it, I knew it, I knew it all the time.
Tears are starting to flow down my eyes
I can't take it no more baby.
I can't take it no more baby.
Oh no, no 5-8 times
Ooh hoo, hoo.

I knew that you were cheatin' on me, baby
You were cheatin'

I knew that you were cheatin' on me, baby
You were cheatin'

I knew that you were cheatin' on me, baby
You were cheatin'
What can I say
