## **Just A Touch**

**Keith Sweat** 

Ha, I wanna take you back just like this Just a touch of love a little bit Just a touch of love

Makes me shine just a little bit, just a little bit (with just a touch of love) In my mind baby just a little bit, just a little bit (you got to) Keep me high baby just a little bit, just a little bit (with just a touch of love) Can we spend some time (can we spend some time) Oooh baby baby

Just a touch of love a little bit Just a touch of love

Just a touch of your love all the time to my mind Just enough of your love to my mind keeps me high Just a touch of your love all the time to my mind Just enough of your love to my mind keeps me high

Need it now just a little bit, just a little bit (with just a touch of love) Makes me frown baby just a little bit, just a little bit (you got to) Send fire through my spine just a little bit, just a little bit (with just a touch of love) Can we spend some time (can we spend some time)
