

Just Another Day

Keith Sweat

Yeah
(Another day)
Just another day
(think bout this one)

Layin in my bed I think,
Constinin on you and me
you could neva know girl what I'm going through
everything I see and do
reminds me girl when it was me and you
boy sometimes when I use to make sweet love to you (come on)

Every night I get on my knees and pray
(every ni-ight)
Hope that you will send your loving back my way,
(ooh oh)
but for now girl here alone I lay
just another day
that's gone away
Family portraits on the wall,
thoughts of love will conquer all
(conquers all)
Hope that time will lead,
ease all the pain I feel
cant neglect the love we share
(love we share)
I remember girl when you would
stay
Give me all my body baby u told me
c'mon

yea yea yea yea yea yea
(yea)
no no no no no no
(no)
yea yea yea yea yea
Just another day...
thats gone away
(another day)
