Feeling that I get, ooh

Feeling that I get, woo Comes right back to you Can't tell me I don't know because I do (because I do) Baby, everything I do now is a reflection of your smile I wouldn't trade it for the world, no, no Baby yeah, and I'm thinking about you girl It's been one night, I'm really missing you girl Still remember the first time when we hooked up I knew you were mine, from the way that you looked at my eyes I knew right there I was bound to ride with you Woah ever since you were there for me No other love can ever key, to my heart By your side is where I'll be I couldn't go even if I wanted to leave Feeling that I get, ooh Comes right back to you (Comes right back to you) Can't tell me I don't know because I do (Don't tell me girl that I don't kno Everything I do now is a reflection of your smile (A reflection of your smil I wouldn't trade it for the world (Trade it for the world), just me and my g irl We play a game go around in a circle, it's the same old game from the beginn Gotta get my head on my shoulder, I gotcha girl you know I'm wit it How many people you know can say that their relationship, they gone win this But I got the same old chick that I've been with, yeah e yeah Girl we're right from the start, yes it was You done break my heart, yes you did I said some relationships are gone winded But I got to say chick I've been wit yeahh Feeling that I get, ooh Comes right back to you (Comes right back to you) Can't tell me I don't know because I do (Because I do) Everything I do now is a reflection of your smile (A reflection of your smil I wouldn't trade it for the world (Trade it for the world), just me and my g irl Baby needs a rider and I'm right beside her My baby needs a roller and I'm gonna show her I need you, I love you, a way to give love to explain what I want to Girl you know you lift me up (You lift me) when feeling real low (When I'm 1 You want me tied in your arms (In your arms) to warm me up when it's cold (I 'm so cold!) You are what I'm blessed with (What I'm blessed with) angels from the heaven Baby, I'm attached, and I don't plan on going back (Baby, yeah hoo)

Comes right back to you (Comes right back to you)

Can't tell me I don't know because I do (Because I do)

Baby, everything I do now is a reflection of your smile

I wouldn't trade it for the world (Trade it for the world), just me and my g

irl

Me and my girl, me and my girl, me and my girl, uhuhuh
