

Texas Time

Keith Urban

New York girls, they can be so pretty
But I get cold living in the city
Oh, and then I've got to go, mmm
And I've been west, out to California
Summer nights, girls are so much warmer there
They just don't have a care, oh
But I know a place where the people smile
Taking is easy and it's been a while since I've gone
And now it's time to go home, oh

Give me a tight t-shirt on a real hot body
You know what's on my mind
Yeah, I'll show you where it's at
Come on, let's get back on Texas time
You got it right there, easy, we're gonna party
Whiskey, women and wine
Yeah, I'll show you where it's at
Come on, let's get back on Texas time

I35, Dallas down to Austin
We can find a world we can get lost in there
Where we can breathe the air, oh, oh
We can howl at the moon like a wild coyote
Cactus in bloom in the pink peyote
So fine, we got nothing but time, hee

Give me a tight t-shirt on a real hot body
You know what's on my mind
Yeah, I'll show you where it's at
Come on, let's get back on Texas time
You got it right there, easy, we're gonna party
Whiskey, women and wine
Yeah, I'll show you where it's at
Come on, let's get back on Texas time

And I know a place where the people are real
And they taking it easy, making you feel right at home
Yeah, that's where I'm going, hee

Give me a tight t-shirt on a real hot body
You know what's on my mind
Yeah, I'll show you where it's at
Come on, let's get back on Texas time
You got it right there, easy, we're gonna party
Whiskey, women and wine
Yeah, I'll show you where it's at
Come on, let's get back on Texas time

Woah, yeah, yeah
Oh, oh, oh, baby
And so fine, mmm, mmm
Do it to me every time
You do it to me
And you do it to me, baby, oh
Hey
Ooh, and the women so fine
Hey, hey, hey

Oh, won't you get back
Wanna get back, woo
