

# Undefeated

Keke Palmer

Why you? Why me?  
Why this? Why now?  
I can't believe that you're throwing in the towel  
When the stakes were high  
Sorry that you never came through  
What a shame that I, baby, I lost my bets on you

You thought you were undefeated  
But all that goes up, baby, must come down  
Gave you everything you needed  
And baby look at you now  
And now it's your turn to cry  
Cause baby, I beat you to goodbye  
And I know you can't believe it, you're no longer undefeated

You keep your hands to the sky  
Your eyes on the prize  
The storm's gonna pass, the sun's gonna rise  
Beware a lotta guys only tell a buncha lies  
I just hope it ain't too late before you realize  
Time don't wait, honey, life's too short  
Recognize your worth, never mind that boy  
Never let him, or anybody steer your joy  
Disrespect you, or not treat you like the queen you are  
Now it seems you are broken-hearted for the moment  
But through pain comes Shawty you don't need him  
You're priceless and brightness and the memory of May your spirit live on and your beauty remain timeless

You thought you were undefeated  
But all that goes up, baby, must come down  
Gave you everything you needed  
And baby look at you now  
And now it's your turn to cry  
Cause baby, I beat you to goodbye  
And I know you can't believe it, you're no longer undefeated

I remember the day you stole my heart  
And you, never gave it back to me  
But now I can start, start to move forward, baby  
Cause me and you are over, baby  
Finally you lost, I'm winning this time

You thought you were undefeated  
But all that goes up, baby, must come down  
Gave you everything you needed  
And baby look at you now  
And now it's your turn to cry  
Cause baby, I beat you to goodbye  
And I know you can't believe it, you're no longer undefeated

Go 'head and cry, go 'head and cry your eyes out  
Go 'head and cry, go 'head and cry your eyes out  
And I know you can't believe it, you're no longer undefeated
