

One More Song

The Kelly Family

C **F**
Holding back all my trouble
Ami **D**
that accumulated over time
F **G**
and now I can't seem to define
C **F**
you and I were like brothers
Ami **D**
we stuck together in hard times
F
but now it all seems
C
to decline I've written

C
One more song
G **Ami** **F**
before everything goes wrong
C
one more song
G **Ami**
for keeping us going on
F
come on now

One more song
before everything goes wrong
one more song
for keeping us going on

All the noise and all the trouble
might have made us lose our mind
when all we need is just a little time

Everybody

Ami **F**
ride on ride on ride on ride on
C **G**
ride on into the sun
Ami **F**
ride on ride on ride on ride on
C **G**
ride on into the sun

When you're young life is easy
but then the table turns around
and then you seem to realize I'll sing you
and on and on oh yeah
