

Rock 'n' Roll Stole My Soul

The Kelly Family

Tom had a job in a town outside the city
was working very hard
Life was lookin' very pretty
nothing going wrong
with the rockabilly Song
that the radio was playing
But then came around
the Rock'n Roll beggin'
Tom left the Town and got
into the singin'
nothing was the same since
he read a book
saying "Wheels are freedom"
Nowadays

Rock'n Roll stole my soul
Rockin' down the River like a rolling stone
Rock'n Roll stole my soul
Rockin' down the river like a rolling stone
Tom had a band and made
a good livin'
toured all the land
his dreams had been fulfilling
was bringin' in some cash
but spend it all on hash
that's when his life began to bend
Times were looking bad
he was lying in a clinic
he lost all he had
the world was looking cynic
his innocence was gone
but it didn't take him long
Now he's singin'
on the street
the song of his defeat
Oh, yeah

Beans, Beans
The Musical fruit
The more you eat
The more you toot
The more you toot
The better you feel
So let's have beans for every meal
