

Suzy

Kelly Jones

capo I

Ami **Emi**
I used to watch you sing

Fmaj7
Underneath the sun

Ami
Untill I passed out

Ami **Emi**
You came to rescue me

Fmaj7
So I came to believe

Ami
You were my remedy

Ami **Emi**
I loved to watch you swim
Fmaj7

We'd drink at night in the water
Ami

Moonlight on our skin
Ami **Emi**

We never said goodbye
Fmaj7

Do you think we should have?
Ami

Or is it better this way?

Ami **Emi**
So bye bye little Suzy
Fmaj7

Never wanted to use you
Ami

I had to get on home

Ami **Emi**
So bye bye little Suzy
Fmaj7

Never wanted to lose you

Ami
And leave you there all alone

Ami **Emi**
We float on down the beach
Fmaj7

Underneath the stars
Ami

And dance in the sand

Ami **Emi**
I left you sleeping that night
Fmaj7

I didn't wanna wake you
Ami

So we'd always be right

Ami **Emi**
I loved to watch you swim

Fmaj7

We'd drink at night in the water

Ami

Moonlight on our skin

Ami

Emi

We never said goodbye

Fmaj7

Do you think we should have?

Ami

Or is it better this way?

Ami

Emi

So bye bye little Suzy...

Ami

Emi

Bye bye bye bye bye bye...
