

Love

Kem

Ooh, ooh
Ooh, ooh, ooh
Yeah, yeah

All my people
Make some noise
It's your hour
To rejoice
Tell your neighbors and your friends
Let your future begin
What you want
What you need
Is love

Sha-do-cha-do
With your love
Sha-do-cha-do
With your love, hey
Sha-do-cha-do
With your love
Shoo-doo-doo

Meet your maker everyday
Better hurry don't delay
Love will teach you how to talk
Love will keep you together and help you walk
Love is never too hard to find
Turn your water into wine
Love will meet you where you live
So get ready
You better give in
What you want
What you need, girl, is love

Sha-do-cha-do
With your love, hey
Sha-do-cha-do
With your love
Sha-do-cha-do
With your love, ooh
Sha-do-bop-bop-boo
Whoo

Love
Love
Love
Love

What you want
What your whole world needs is love

Sha-do-cha-do
With your love oh
Sha-do-cha-do
With your love honey
Sha-do-cha-do
With your love, love, love

Oh girl

Ooh, you need your love, baby (Love)
