When you are standing here with me I can see everything in you You are the light that feeds the soul oh yeah Girl you are everything divine In your love I will learn my wings to fly In your heart I will make my home Day or night I will come to you Here's to our love I do oh yeah oh girl I do You are half that makes me whole Girl you are marigolds in bloom Baby you are the air I breathe oh yeah Girl you are everything in me In your love I will bring my dreams to life oh From your heart I will never roam oh no Until now my weakness is all I've known But with your love I am strong oh baby girl I am stronger yeah [adlib] Oh yeah I'm stronger [adlib out]
