

Curtains Closed

Kenny Lattimore

Take a sip, loosen up
You ain't gotta be afraid, no
You can free your mind
Promise, I won't judge
I don't see nothing wrong with being honest
We don't need to overthink it
Open up, no holding back
It's better that way

Can you tell me what I can't see?
Oh I can hold on and trust you, baby
Oh wanna know you better, can you help me?
No fear with me
No, this whole vibe

If you ever felt the need of love
Just come my way
Whatever you want, babe
I promise you'll never regret
If you ever felt the need of love
Just come my way
We could be so great
Only if you're ready

Never a wrong time to say how you feel
The best truth is you being so real
I know what you're thinking right now
I don't want you being in denial
Open up, no holding back
It's better that way

Can you tell me what I can't see?
Oh I can hold on and trust you, baby
Oh wanna know you better, can you help me?
No fear with me
No, this whole vibe

If you ever felt the need of love
Just come my way
Whatever you want, babe
I promise you'll never regret
If you ever felt the need of love
Just come my way
We could be so great
Only if you're ready

It's almost time to lay it on me
Saying how we'll do it is so cliché
If you wanna take the lead
You can do your thing
Love is always sweet between you and me

If you ever felt the need of love
Just come my way
Whatever you want, babe
I promise you'll never regret
If you ever felt the need of love

Just come my way
We could be so great
Only if you're ready

If you ever felt the need of love
Just come my way
Whatever you want, babe
I promise you'll never regret
If you ever felt the need of love
Just come my way
We could be so great
Only if you let me
