

# Love Will Find A Way

Kenny Lattimore

In a perfect world one we've never known  
We would never need to face the world alone  
They can have their world we'll create our own  
I may not be brave or strong or smart  
But somewhere in my secret heart  
I know love will find a way

Anywhere I go I'm home  
If you are there beside me  
Like dark turning into day  
Somehow we'll come through  
Now that I've found you  
Love will find a way  
I was so afraid

Now I realize love is never wrong  
And so it never dies  
There's a perfect world shining in your eyes  
And if only they could feel it too  
The happiness I feel with you  
They'd know love will find a way  
Anywhere we go we're home

If we are there together  
Like dark turning into day  
Somehow we'll come through  
Now that I've found you  
Love will find a way  
I know love will find a way
