

I Would Do Anything

Kenny Loggins

Love, where are we going,
And when do we reach the promise on the horizon,

Out on the ocean, under a sunset,
I was invited to come out and play a while
with magic and move a mountain.

Has anyone ever captured the sun,
Is the eagle ever truly tame,
Given just a little time,
I know that you'll find a way.

I would do anything for you,
Give up the world I've made me
And take you away,
I swear from now on,
The trust in my heart,
The vision of you in my life

My love,
I will be faithful,
but how can I make a promise
to a place I've never been?

Something has taken me off,
and I don't know if I will survive.
I believe that everything
I'll ever need is here by the roadside.

How can you fly,
keeping heaven in sight,
blinded by the light of day?

Given just a little time,
I know that I'll find a way

I would do anything for you,
Listen with all of my spirit,
for ecstasy calling,
You know I believe,
Cause all I have seen,
From the mountain,
The view from the heart.

I would do anything for you,
Give up the world I've made me
And take you away,
I swear from here on,
The trust in my god,
The vision of you in my life

Freedom is mine,
One beat at a time,
Where are we going,
I just don't know yet,
How will we make it,
I just can't say,

All that I know is that we've finally sailed away.

Seems everyone's made a prison of love,
But if anybody can escape,
Given just a little time,
I know that we'll find a way.

I would do anything for you,
Listen with all of my spirit,
for ecstasy calling,
You know I believe,
Cause all I have seen,
From the mountain,
The view from the heart.

I would do anything for you,
Give up the world I've made me
And take you away,
I swear from here on,
The trust in my god,
The vision of you in my life

In my arms, I'll pray
I am safe, I am loved, I am free, baby
I am safe, I am loved, I am free, baby
I am safe, I am loved, I am free, baby
I am safe, I am loved, I am free, baby
