Just look at you sitting there
You never looked better than tonight
And it'd be so easy to tell you I'd stay
Like I've done so many times
I was so sure this would be the night
You'd close the door
And wanna stay with me
And it'd be so easy
To tell you I'd stay
Like I've done so many times

Don't fall in love with a dreamer
Because he'll always take you in
Just when you think
You've really changed him
He'll leave you again
Don't fall in love with a dreamer
Because he'll break you every time

So put out the light and just hold on Before we say goodbye Now it's morning And the phone rings and ya say You gotta get your things together You just gotta leave Before you change your mind And if you knew What I was thinking girl, I'd turn around If you'd just ask me one more time Don't fall in love with a dreamer Because he'll always take you in Just when you think You've really changed him He'll leave you again Don't fall in love with a dreamer Because he'll break you every time So put out the light and just hold on Before we say goodbye
