

# Heat Of The Sun

Kenny Wayne Shepherd

You, you burn me down  
Every space of a touch and a smile  
Somehow when I come undone  
Even now in the darkness I can feel  
Oh, I can feel the heat of the sun

Why, I don't know why  
It was you that found me so lost  
You reached out and gone was the cold  
The cold empty nights and all that I know  
Was I could feel the heat of the sun

Then I turn my face, look to the sky  
And baby, there you are, oh, there you are  
Shining on me, warm on my skin  
So real that I can feel the heat of the sun

I turn my face, look to the sky  
And baby, there you are, oh ho, there you are  
Shining on me, warm on my skin  
So real that I can feel the heat of the sun

Yeah, heat of the sun  
So real  
So real
