

In 2 Deep

Kenny Wayne Shepherd

Everybody scatter
There's a madman on the run
Stumblin' through the wreckage
Like a blind man with a gun
Nowhere to hide
I'm in 2 deep
Can't see the light
'Cause I'm in 2 deep
Over my head
Caught up in a hurricane
That never seems to end
Hard to know the devil
When he looks like your best friend
Nowhere to hide
I'm in 2 deep
Can't see the light
'Cause I'm in 2 deep
Over my head
Oh...I should have known
But I can't let go
'Cause I'm in 2 deep
Over my head
Oh...someone call somebody
The asylum's under siege
Inmates took a hostage
I'll be damned if it's not me
Nowhere to hide
'Cause I'm in 2 deep
Bury the light
'Cause I'm in 2 deep
Can't see the light
In 2 deep
Bury the light
I'm in 2 deep
I'm over my head
Over my head
