

Still A Fool

Kenny Wayne Shepherd

Well, now, there's two, there's two trains running
Well, they ain't never, no, going my way
Well, now, one run at midnight and the other one
Running just 'fore day
Running just 'fore day
Running just 'fore day
Sure 'nough they is
Oh well
Oh well

Mm mm, ho ho ho ho
Somebody help me, ho, with these blues
Well, now, she's the one I'm loving
She's the one I do hate to lose
I do hate to lose
Sure 'nough I do
Sure 'nough I do
Oh well

I been crazy, yes, I been a fool
I been crazy, oh, all of my life
Well I done fell in love with a
With another man's wife
With another man's wife
With another man's wife
Sure 'nough I done
Oh well
Oh well
Oh well

Lord, she's so long and tall
Till she weep, oh, like a willow tree
Well now, she's ain't no good, but she's all right
She's all right with me
She's all right with me
She's all right, she's all right
Sure 'nough she is
Sure 'nough
Sure 'nough she is
Oh well
