

Say It Twice

Kevin Gates

Ain't gotta say it twice
She gon' make me say it twice

Ain't gotta say it twice (I don't say it twice)
She gon' make me say it twice, oh, yeah (Say it twice)
She bad, bad (Bad, bad)
She lit, lit (She lit, lit)
She poppin', poppin', (She poppin', poppin')
She thick, thick (She thick, thick, woah)
Ain't gotta say it twice (I don't say it twice)
She gon' make me say it twice, oh, yeah (Make me say it twice)
She bad, bad (She bad)
She lit, lit (Ooh)
She poppin', poppin', (Ballin')
She thick, thick (Oh, yeah)

How you doin'? My name is Kevin
I was just comin' to tell you, "Hello" (What up?)
I hope that I didn't make you uncomfortable
With this gesture, don't mean to scare you (Uh-uh)
I was feelin' your energy when I walked in, psychokinetic (For real)
If you want me to walk away, then I will, I won't press
Allow me to let you enjoy your night
I won't get offended, no questions (Uh-uh)
Saw your soul when we locked eyes
A whole lot of pressure in my presence
I love the dress that you got on, and you look stunning, no lie
I would've told you that you was beautiful, but that word don't describe

Ain't gotta say it twice (I don't say it twice)
She gon' make me say it twice, oh, yeah (Say it twice)
She bad, bad (Bad, bad)
She lit, lit (She lit, lit)
She poppin', poppin', (She poppin', poppin')
She thick, thick (She thick, thick, woah)

Ain't gotta say it twice (I don't say it twice)
She gon' make me say it twice, oh, yeah (Make me say it twice)
She bad, bad (She bad)
She lit, lit (Ooh)
She poppin', poppin', (Ballin')
She thick, thick (Oh, yeah)

Spontaneous, how 'bout we do somethin' exciting?
How 'bout you leave with me?
Toss your friends your keys
They ask where you're goin', you tell 'em that you done made plans
Tell 'em that you at Allstate, tell 'em that you in good hands
Tell 'em that you wanna feel a lot, if you're willin' to give your heart a chance
Bae, could you say the last dance? Pardon me, but you know I'm that drum line
Pleasure activist, only need one time (Done)
Undivided attention, you get it, I'm focused, I'm fixated
Tell them get out our business and quit hatin'
Intellectual intercourse conversation
You can't believe what other people say about me

Nothin' that's substantiated

Ain't gotta say it twice (I don't say it twice)
She gon' make me say it twice, oh, yeah (Say it twice)
She bad, bad (Bad, bad)
She lit, lit (She lit, lit)
She poppin', poppin', (She poppin', poppin')
She thick, thick (She thick, thick, woah)
Ain't gotta say it twice (I don't say it twice)
She gon' make me say it twice, oh, yeah (Make me say it twice)
She bad, bad (She bad)
She lit, lit (Ooh)
She poppin', poppin', (Ballin')
She thick, thick (Oh, yeah)
