

I Made It (Cash Money Heroes)

Kevin Rudolf

Yeah, Cash Money Heroes, private jets, polish, fly

I look up to the sky
And now the world is mine
I've known it all my life
I made it, I made it

I used to dream about
The life I'm living now
I know that there's no doubt
I made it, I made it

Known from the city
Where no one believed in me
But I never give up the fight
Yeah, but now on the top
I told you to "Let It Rock" (Rock!)
The money's falling from the sky
I made it!

I look up to the sky
And now the world is mine
I've known it all my life
I made it, I made it

I used to dream about
The life I'm living now
I know that there's no doubt
I made it, I made it

Rooftop, hell chopping burning smoke
Louie bag stay strapped with a priceless globe
High life, flipping and get some more
Paradise, the luxury marble floor
When I hit, hit me full of that cash
More money than I seen in a garbage can
Stunna Island, money and the power
That's how we do it, make it rain, make it shower
Top floor, big timer doing the things
Over city views bought Shawty new range
Flip another hundred, popping throwing hundreds
In a new Bentley, uptown stunna

I look up to the sky
And now the world is mine
I've known it all my life
I made it, I made it

I used to dream about
The life I'm living now
I know that there's no doubt
I made it, I made it

Oh, I made it, I made it, I made it, I made it
Yeah, ay, ay, listen!

See, I don't live for glamour and I don't care the fame

I'm in this for the love of the game
Funny how things can change
They didn't believe in me
Then they calling my name
Now look who cashed in
They didn't wanna know me back then
But every since I don't going platinum
Everything turned around
And now the sky is falling down

I look up to the sky
And now the world is mine
I've known it all my life
I made it, I made it

I used to dream about
The life I'm living now
I know that there's no doubt
I made it, I made it

Came from the gutter
Looking like my mother
Made it to the goal line,
Straight out the huddle
Cash Money goldmine, Weezy stay loyal
Boy, we getting money like we just found oil
Uh, and that's a word to my red flag
I live first, leave the bullshit dead last
I lay it down so hard, I got a bed rash
And I just tell'em to loaf it when the bread pass
Starring at you from the top
Of the game man
I might drop the world if I change hands
Uh, it feel good to be there
Weezy in the building got this bitch rebuilt
Young Money

I look up to the sky
And now the world is mine
I've known it all my life
I made it, I made it

I used to dream about
The life I'm living now
I know that there's no doubt
I made it, I made it
I look up to the sky!

I made it, I made it, I made it
Oh, I, I, I made it, I made it, I made it

Yes, I did, yes, I did, yes, I did, yes, I did, yes, I did

I, I, I made it!
