

# No Way Out

Kevin Rudolf

All the train came trippin thru the station  
This mad hatter he was beaming at me  
You cool cat  
You think that you kno me  
I'm not the same person that I used to be  
Your cards dealt your playing them wrong boy  
And there's a few things that you need to kno  
I took the elevator up to the top  
And I followed that rabbit all down the hole

I told my self I belived it  
But who was I kidding  
Out of these eyes I could see it  
But it's all a lie the end is near I can feel it  
Ya it's comin around but know  
there's no doubt it's settled  
And there's no no way out no way out

Switch got me caught up in a twister  
I'm skipping all down that yellow brick road  
I said to the tin man sorry can't help ya  
They ripped my heart out long time ago  
And now I'm feeling like the cowardly lion  
I wanna break out but I'm paralyzed  
The yellow bricks led me staright to the wizard  
He said it's all your state of mind

I told myself I believed it  
But who was I kidding  
Out of these eyes I could see it  
But it's all a lie  
The end is near I can feel it  
Ya it's comin around  
But now there's no doubt it's setteled

And there's no no way out  
And there's no no way out  
And there's no no way out  
And now there's no doubt it's settled  
And there's no no way out  
No way out ya oh oh oh

I told myself I believed it  
But who was I kidding  
Out of these eyse I could see it  
But it's all a lie  
The end is near I can feel it  
it's comin around and now there's  
no doubt it's settled  
there's no no way out
