Keyshia Cole

This is Too \$hort, I need to let you know one thang  
It's a dope ass album, girl-I'm fuckin' with it  
I fucks with' you, for real though  
You know we love it, girl (Know that I love it)  
Keep making that good music  
I know you remember what 2Pac taught you (Oh yeah)  
'Cause you've been smashing ever since (Getting...)  
Smashing on the game (... money)  
Getting money  
Been all over the world  
I gotta say I respect 100 percent  
How you give these little girls the game  
How you give grown ass women that knowledge  
How you ain't no punk, yeah

Special cloth alert  
A cole, cole, cole, Cole World  
And I put that on everything  
A cole, cole, cole, Cole World  
So cole, so Cole World

You know where we're going, Keyshia  
(Straight to the top) To the top...
