

# Walkin' Naked Thru A Blubell Field

Keziah Jones

I've sat in Alleyways  
And spoke to buildings  
I've worn a womans body  
To provoke a male  
I've spread emotion lotion  
On ma feelings  
To clean the river  
That's running thru me  
I'd like to sail on the ocean of love  
But the wind said :  
"This boat aint goin nowhere  
Without a breeze"  
My mind  
Has been twisted  
Reformed  
Conformed  
And deformed by someone  
I met by complete chance  
In a bluebell field  
I'd like to hold you tight  
Hold you close  
Cover your mouth  
Burn all your clothes

Walkin naked thru a bluebell field  
So much laughter  
Should intensify the real  
Walkin naked thru a bluebell field  
I'd like to kiss your hips  
Lick your lips  
Shed my soul  
+ Blind fold ya

I'd like to fuck your aura  
And when I have the time  
I'd like to unscrew your mind

I'd like to tell your mama  
Tell your pa  
Bout the "thangs" we did  
In their backyard
