

# Better

Khalid

I'm not really drunk, I never get that fucked up  
I'm not, I'm so sober

I love to see you shine in the night like the diamond you are  
(I love to see you shine in the night like the diamond you are)  
I'm good on this side, it's alright, just hold me in the dark  
(I'm good on this side, it's alright, just hold me in the dark)  
No one's got to know what we do, hit me up when you're bored  
(No one's got to know what we do, hit me up when you're bored)

'Cause I live down the street  
So hit me when you need and it's yours  
All I hear is...

Nothing feels better than this  
Nothing feels better  
Nothing feels better than this  
Nothing feels better, ooh now  
We don't gotta hide  
This is what you like, gotta admit  
Nothing feels better than this

You say we're just friends, but I swear when nobody's around  
(You say we're just friends, but I swear when nobody's around)  
I keep my hand around your neck, we connect, are you feelin' it now?  
(I keep my hand around your neck, we connect, are you feelin' it now?)  
'Cause I am

I get so high that I ignite, I swear to God, feel my feet leave the ground  
(I get so high that I ignite, I swear to God, feel my feet leave the ground)  
Ooh, yeah  
Your back against the wall, this is what you been talkin' about  
In my ears

Nothing feels better than this  
Nothing feels better  
Nothing feels better than this  
Nothing feels better, ooh now  
We don't gotta hide  
This is what you like, gotta admit  
Nothing feels better than this

You know that if I left  
I'd take you back  
When you say it, you say it like that, oh yeah  
You know that if I left  
I'd take you back  
When you say it, you say it like

Nothing feels better than this  
Nothing feels better  
Nothing feels better than this  
(Nothing feels better) ooh now, now  
We don't gotta hide  
(This is what you like, gotta admit)  
Nothing feels better than this  
(Better than this)

Nothing feels better than this
