Cold blooded, cold blooded

The way you've been treating me is getting out of hand And you walk around like you're so innocent I gave you my heart and it melted in your arms This isn't a place that I belong

I feel your fear
Surrounded by your skin
You feel my heartbeat vibrate so violent
Inside of your head
I see it in your eyes
You're no good for me
And love is blind

Ooh, and cold blooded, cold blooded You want what I'm giving up But my love is not enough Cold blooded, cold blooded And I can't feel my fingertips But you feel better when we touch

I lost my sight and you're leading me on
Is it 'cause you're used to guys always doing you wrong?
Do you really love me?
Or is it just revenge?
Lately you don't seem so genuine

And I feel your fear
Surrounded by your skin
You feel my heartbeat vibrate so violent
Inside of your head
I see it in your eyes (see it in your eyes)
That you're no good for me
And love is blind

Ooh, and cold blooded, cold blooded You want what I'm giving up But my love is not enough Cold blooded, cold blooded And I can't feel my fingertips But you feel better when we touch

## Mmmm

Fill me up, keep me hot
Use me up of all I've got

I feel your fear
Surrounded by your skin
You feel my heartbeat vibrate so violent
Inside of your head
I see it in your eyes
You're no good for me
And love is blind

Ooh, and cold blooded, cold blooded You want what I'm giving up

But my love is not enough Cold blooded, cold blooded And I can't feel my fingertips But you feel better when we touch

## Mmmm

Fill me up, keep me hot
Use me up of all I've got
Cold blooded, cold blooded (mmmm)
Cold blooded, cold blooded (mmmm)
