

Honest.

Kiana Ledé

Have you ever loved somebody so much it makes you cry?
Have you ever needed something so bad you can't sleep at night?
Have you ever?

Laid up
At night
Tryna get you in the mood
But U stay
Air tight
I know I can do
Anything that you need
We can try something new
What's up with you

Ya Never want it when I want
Want it want it want it
I'm just tryna be up on it
On it on it on it
At least I'm bein honest
Honest honest honest
But you Never want it when I want it
Want it want it want it

Slow down
Seem like You in a rush
You on the gram
Hold on scroll up
And did you drink
Too much
Pour up
Got everything you need and some

Ya Take time when you sliding
Truth hurts put it right in (put it right in)
Yeah I promise I can keep you satisfied

Ya Never want it when I want
Want it want it want it
I'm just tryna be up on it
On it on it on it
At least I'm bein honest
Honest honest honest
But you Never want it when I want it
Want it want it want it

If you think I'm too much
Let's go back just a month
I threw it back
You was in love
Now you lazy

Can you
Wanna put it in me
Can you put it in deep
That's all I need

Can you

Wanna put it in me
Can you put it in deep
That's all I need

Never want it when I want it
Want it want it want it
So you should put it where I want it
Want it want it want it
