

# Erase Me

Kid Cudi

She said I don't spend time like I really should  
She said she don't know me, ANYMORE  
I think she hates me deep down, I know she does  
She wants to erase me  
HMMMMMM  
A couple days no talking, I've seen my baby  
And this what she tells me...

She said

I keep on running  
Keep on running and nothing works  
I can't get away from you  
I keep on ducking keep on ducking and nothing helps  
I can't stop missing you

Yea

It's like I'm her new nightmare, she aint escaping  
It makes me feel a bit complete  
Yeah  
Knowin' someone you love don't feel the same way about ya  
Memories they soon delete  
HMMMM...

A couple weeks no talkin', I see my baby  
I missed you so damn much  
Hey  
I wish we could start over, I told my baby  
This what this Bitch tells me

I keep on running  
Keep on running and nothing works  
I can't get away from you  
I keep on ducking keep on ducking and nothing helps  
I can't stop missing you

Cause I'm in the magazines, on the tv  
No matter where you are you might hear me  
Cause I'm in the magazines, on the tv  
No matter where you go you might see me

Uh, I'm Yeezy  
She said Hi I'm Maria,  
No you an angel  
You wave hi to Aaliyah  
I got a show in Korea, they built a new arena  
Why don't you come watch it and tear the whole scene up  
I know I seen you before but don't know where I seen ya  
Oh I remember now  
It's something that I dreamed of  
Don C said she cool but don't let her f\*ck your cream up  
Monica Lewinski on the dress she'll take you to the cleaners  
Sure enough week later I'm in extra love  
Let everybody know she mine so she extra plugged  
Every bouncer every club show her extra love  
We just praying the new fame don't get the best of us

But All good things gotta come to ena  
She let it go to her head, no not mine-ria  
The height of her shopping was writers blocking me  
I couldn't get my shit out anyway  
I hope you die aria

I keep on running  
Keep on running and nothing works  
I can't get away from you  
I keep on ducking keep on ducking and nothing helps  
I can't stop missing you
