Got her toes done up with her fingernails matchin' Got her toes done up with her fingernails matchin' Got, got her toes do up with her fingernails matchin' Toes, toes done up with her fingernails matchin'

Shake it up, up rock ya body Make it knock, knock when you partyin' Take a break, break in the audience Do ya footwork break and stop again

I'm lookin' sharp, you can't compete with the champ Steady flickin', I'm holdin' done that layaway rack Aye, rhinestones all in they face, gold charms and paper chase Talk smack from around the way

Gotta put these chickenheads in they place I ain't rockin' no stupid, babes, ain't trippin', I juke all day I ain't slippin' 'cause either way When I hit the block all the people say

Got her toes done up with her fingernails matchin' Got her toes done up with her fingernails matchin' Got, got her toes do up with her fingernails matchin' Toes, toes done up with her fingernails matchin'

Aye yo this mothafucka jammin', I'm on it, it's a anthem Who is that in the Phantom? Please no cameras
They gone have me on concrete, loot in my pajamas
To hide the goods, I would need pants big as Hammer's

I be tippin' them dancers, they be sayin' I'm handsome I was pretty before the dough but now I'm just the man You remind me of my old chick on that '84 shit Oh shit, did you see the way she got her toes did?

Got her toes done up with her fingernails matchin' Got her toes done up with her fingernails matchin' Got, got her toes do up with her fingernails matchin' Toes, toes done up with her fingernails matchin'

Got her toes done up with her fingernails matchin' Got her toes done up with her fingernails matchin' Got, got her toes do up with her fingernails matchin' Toes, toes done up with her fingernails matchin'

Girls be so thirsty, thirsty, fast forward to the end of my song And say third verse me, verse me whenever I hit the block I see Tricks try to rehearse me, hearse me From manicure sets to silky weaves

They be so grimy, nasty, bogus, turkey, germy, dirty Uh oh, Shol' did, you ain't slick (Naw)

Let the pioneer blast my shit, wait a minute, hold up

Bubble letters on my butt say 'Fresh'
Oops, I'ma go, nails like whoa, acrylic base top all gold

Clothes on my back to the paint on my toes Stay fresh 'cause I'm accustomed to gold

Got her toes done up with her fingernails matchin' Got her toes done up with her fingernails matchin' Got, got her toes do up with her fingernails matchin' Toes, toes done up with her fingernails matchin'
