## **Fisticuffs**

## **Kids in Glass Houses**

Gentlemen, I found a spokesman for a generation on the fence I swear to god, but all I get is her trainee assistant, far and distant So many bodies on the street tonight And we're not leaving here without a fight

Don't tell me I don't know what it's like to be alone Don't tell me I don't know

Little girl, you've been spreading lies Around this town like no one's business Little boy, you've been counting down the 15 minutes I've been singing

So many hobbies broke my back tonight And we're not leaving here without a fight

Don't tell me I don't know what it's like to be alone Don't tell me I don't know Don't tell I don't know how to run this fashion show
