

Faith

Kierra Kiki Sheard

By faith
I can get to many places
Maybe even see many faces
I mean things that are unexpected
Because of my faith I may
Have to deal with a little bit of hate
And it may seem like there's no way
That's why I gotta have my faith

(Faith)
I gotta have
(Faith)
Can't make it without it
(Faith)
Where I wanna be I gotta have (ohh yeah)
(Faith)

Now without faith
Things are impossible
Like me wanting to please him
I gotta forget about them
Those that don't like me where I am
Cause then I am in jam
Tryna make a decision
Should I listen or should I go
I don't know (Faith)
That's why I gotta have (faith)
I gotta have faith (whoaaahh yeaah)

(Faith)
I gotta have
(Faith)
Can't make it without it (whoaaaahh)
(Faith)

Now faith is the substance of things hoped for
The evidence of things not seen
And this explains it all
Where I am now
I may not be pleased
So I'll have to seek him diligently
And my Word says
He will reward me (Can't make it without it)
So why not have

(Faith)
I gotta have faith (yeeaaaaah)
(Faith)
When my family is sick (faith) and they can't get well
(Faith)
I gotta have faith (yeeeeaaaahh)
(Faith)
I gotta have faith
(Faith)
No matter what they give me or bring to my way
I gotta have faith (yeeeeeeaaaah)
(Faith)

I gotta have faith
(Faith)
It's the only thing that will pull me through
(Yeeeeeeaaahh)
