Faith

Kierra Kiki Sheard

By faith I can get to many places Maybe even see many faces I mean things that are unexpected Because of my faith I may Have to deal with a little bit of hate And it may seem like there's no way That's why I gotta have my faith (Faith) I gotta have (Faith) Can't make it without it (Faith) Where I wanna be I gotta have (ohh yeah) (Faith) Now without faith Things are impossible Like me wanting to please him I gotta forget about them Those that don't like me where I am Cause then I am in jam Tryna make a decision Should I listen or should I go I don't know (Faith) That's why I gotta have(faith) I gotta have faith (whooaahh yeaah) (Faith) I gotta have (Faith) Can't make it without it (whooaaahh) (Faith) Now faith is the substance of things hoped for The evidence of things not seen And this explains it all Where I am now I may not be pleased So I'll have to seek him diligently And my Word says He will reward me(Can't make it without it) So why not have (Faith) I gotta have faith (yeeaaaah) (Faith) When my family is sick (faith) and they can't get well (Faith) I gotta have faith (yeeeaaaahh) (Faith) I gotta have faith (Faith) No matter what they give me or bring to my way I gotta have faith (yeeeeaaah) (Faith)

```
