

# Why Me?

Kierra Kiki Sheard

Oh ooo whooo whooo yeah yeah

Now why (why) ain't it enough that you died (diedd?  
Hung on the cross just to save a soul  
And that; s just-so-amazing so  
I gotta serve you like it's the last time  
And I gotta get it right  
Cause you gave my  
Life a new meaning why?  
I really can't figure it out  
Why somebody like me  
Is who you'd worry about

That's why I look on the deeper side of me  
Is it worth it all just for me?  
Yes, if you say so  
I just wanna show you that I'm grateful  
I was thinking  
How did you ever come to  
Love somebody like you love me, love me?  
Keep somebody like you kept me, kept me?  
Ohh  
I was thinking  
How did you ever come to  
Love somebody like you love me, love me?  
Keep somebody like you kept, kept me?

I've done wrong and I think you've moved on  
You reach out your hand and say I am here  
I never left you I brought you here  
So what makes it fard to see that I love you  
You gave your own life for me  
Yes that's true  
Regardless of everything I'm with you  
When you're in doubt  
But I know that you know I'm the one that brought you out

That's why  
I look on the deeper side of me  
Was it worht it just for me?  
Yes, if you say so  
I just wanna show you that I 'm greatful  
I was thinking  
How did you ever come to  
Love somebody like you love me, love me?  
Keep somebody like you kept me kept me?

How you stretched out and took the pain just for me

How did you do this?

How did you be my friend in the midnight hour?

Oh yeah yeah

You loved me in a special way

You loved me in a great way  
Oh lord

You've been so good to me

You've been my healer

You've been my deliverer

You've been my provider

Uncle fredie, kiki

Oh lord I love you
