

# All of the Feelings

Kiesza

Something don't make sense  
That feeling that I get when you touch my body  
How do you know what I want?  
Like lightning creeping in  
Electric on my skin when you all up on me  
Maybe that's how two becomes one

Dance with the devil up inside of my head  
Telling me to run 'cause you're knocking me dead  
It's true  
Yeah, it's true  
All my emotions written over my face  
Can't run from you, you stop me dead in my place  
You do  
You do  
You do  
You do

I'm getting all of the feelings back  
You make me believe in love again  
(I believe in love)  
(I believe in love) Yeah  
(I believe in love)  
I'm getting all of the feelings back  
You make me believe in love again  
(I believe in love)  
I believe in love again (I believe in love)

Dancing next to you  
I can't wait to undo everything on you  
How do you know what I want?  
'Cause I can't control myself  
I'm gonna need your help, darling  
So let's make two become one

Dance with the devil up inside of my head  
Telling me to run 'cause you're knocking me dead  
It's true  
Yeah it's true  
All my emotions written over my face  
Can't run from you, you stop me dead in my place  
You do  
You do  
You do  
You do

I'm getting all of the feelings back  
You make me believe in love again  
(I believe in love)  
(I believe in love) Yeah  
(I believe in love)  
I'm getting all of the feelings back  
You make me believe in love again  
(I believe in love)  
I believe in love again  
(I believe in love)

I, I, I, I believe in  
I, I, I, I believe in love

(I believe in love)  
I believe in love  
(I believe in love)  
Yeah, I believe in love  
I, I, I, I believe in  
I, I, I, I believe in love  
(I believe in love)  
I believe in love  
(I believe in love)  
Yeah, I believe in love

(I believe in love)  
(I believe in love)  
(I believe in love)

(I believe in love)  
(I believe in love)  
(I believe in love)

I believe in love  
(I believe in love)  
(I believe in love) I do  
(I believe in love)

I believe in love  
(I believe in love)  
(I believe in love) Yeah  
(I believe in love)

I'm getting all of the feelings back  
You make me believe in love again  
(I believe in love) (Make me believe)  
(I believe in love) Yeah  
(I believe in love) (You make me believe)  
I'm getting all of the feelings back  
You make me believe in love again  
(I believe in love)  
I believe in love again  
(I believe in love)

I believe in love  
I, I, I, I believe in (Oh yeah)  
I, I, I, I believe in love  
(I believe in love)  
I believe in love again  
(I believe in love)

Yeah, I believe in love  
I, I, I, I believe in  
I, I, I, I believe in love  
(I believe in love)  
I believe in love again  
(I believe in love)

Yeah, I believe in love  
(I believe in love)  
(I believe in love)  
(I believe in love)

(I believe in love)

(I believe in love)  
(I believe in love)

(I believe in love)  
(I believe in love)  
(I believe in love)

(I believe in love)  
(I believe in love)
