Now I'm winning [?] and I'm doing spring [?]
Like Pimp C and Bung B, I'm an underground king
Making underground money 'cause I'm on my grind, dummy
Niggas ask me where I've been: making fucking money, dummy
Used to chopping grams homie, now I'm chopping syllables
And them crackers cut me checks and pay me some residuals
Independent, indipendent, making money on my own
Grind Time Official nigga, this the label that I own
Did 10 shows last month and bought another home
More than a million dollars, dropped that shit like it's a microphone
That's the shit that Mike is on, Mike is on that other shit
Ever city seems like Mike is with another chick
That's ok 'cause when I'm gone I know she on another dick
