

### Adorations

Courage and Cowards move, heroes to ecstasy  
Welcomes of war and wounds, vigil and vitcory  
Structures of atoms dance, sugar towards the taster,  
Prey to the predator, love as we're falling down

Through light and laughter flow, to dirge and death we go,  
Mindless processions move, lanterns of burning towns,  
Welcome to fray and feast, bliss in all sorrows found,  
Rhythms and random moves and waves of adorations.

Patterns I'm finding  
As pain and joy and sorrow mingle.  
Patterns we're finding  
Our faces raised in adorations.

Deserts are paradise, awake to genocides.  
Delight and suffering, these roles that we have found  
Nourished by food we eat, hungered by waste excrete  
From apes or sons of god, let every act be sacred.

Patterns I'm finding  
As pain and joy and sorrow mingle.  
Patterns we're finding  
Our faces raised in adorations.
