

The Arms of Sorrow

Killswitch Engage

Imprisoned inside this mind
Hiding behind the empty smiles
So simple (the anguish)
As it haunts me
Crawling back into the dark

Running, always running, into the distance
Stop me before I bleed, again
The echoes of my voice
Follow me down
The shadows I cast
Follow me down

Deeper I'm falling
Into the arms of sorrow
Blindly descending
Into the arms of sorrow

There must be serenity

The echoes of my voice
Follow me down
The shadows I cast
Follow me down

Deeper I'm falling
Into the arms of sorrow
Blindly descending
Into the arms of sorrow

The demon of my own design
This horror must not remain

Deeper I'm falling
Into the arms of sorrow
Blindly descending
Into the arms of sorrow

There must be serenity

There must be deliverance

Deeper I'm falling

Blindly descending
