The Arms of Sorrow

Killswitch Engage

Imprisoned inside this mind Hiding behind the empty smiles So simple (the anguish) As it haunts me Crawling back into the dark

Running, always running, into the distance Stop me before I bleed, again The echoes of my voice Follow me down The shadows I cast Follow me down

Deeper I'm falling Into the arms of sorrow Blindly descending Into the arms of sorrow

There must be serenity

The echoes of my voice Follow me down The shadows I cast Follow me down

Deeper I'm falling Into the arms of sorrow Blindly descending Into the arms of sorrow

The demon of my own design This horror must not remain

Deeper I'm falling Into the arms of sorrow Blindly descending Into the arms of sorrow

There must be serenity

There must be deliverance

Deeper I'm falling

Blindly descending
