

# The Forgotten

Killswitch Engage

You were once the source  
Of a pureness that can't be defined  
And now you curse the day  
How can you leave your faith behind?

Just look at yourself  
Do you like what you see?  
I want no more of you  
Watch me walk away

This is the last time  
You are the forgotten  
You let your dreams die  
You are the forgotten, yeah

Placed your ego above all  
But misplaced your innocence

Just look at yourself  
Do you like what you see?  
I want no more of you  
Watch me walk away

This is the last time  
You are the forgotten  
You let your dreams die  
You are the forgotten

What you have given up  
Will never return again  
Now you're dead inside  
I hope it was worth the cost

I hope it was worth the cost  
I hope it was worth the cost  
Now you're buried alive

This is the last time

This is the last time  
You are the forgotten  
You let your dreams die  
You are the forgotten
