

# Victory

Kim Burrell

I have already come  
And I'm here to testify  
That the Lord brought me through everyone  
When the enemy comes in like a flood  
The sound of the Lord lifts me above  
Oh it soothes all of my doubts & it calms all of my fears  
And it lets me know ohhh

Yes I got the victory and I've been made free  
It loosened my shackles that were binding me oh yea  
Yes I'm an overcomer  
By His holy ghost power  
Through faith I can conquer anything

Through many dangers seen and unseen  
The Lord continually keeps me  
So whatever betides never will be afraid  
Knowing that is and no need to be dismayed  
When the enemy comes in like a flood  
The sound of the Lord lifts me above  
Ohh Yea

Yes I got the victory and I've been made free  
Oh it soothes all of my doubts & it calms all of my fears  
Yes I'm an overcomer  
By His holy ghost power  
Through faith I can conquer anything

Tell me who can stand before Him  
When I call on His great name  
His name is Jesus, precious Jesus

Victory, yes I got it  
Yes I got it oh yes I got it  
Jesus gave it  
The world can't take it  
This joy that I have, the world didn't give it  
This joy that I have the world can't take it away  
Victory, oh yes I got it V-I-C-T-O-R-Y
