

Come Through

Kim Walker-Smith

I wait for You now
Like the desert waits for the rain
Like a child at the end of the day
I know You'll come through
I trust what You say
As a treasure no one can take
Every word so steady and safe
You always come through

All I've ever known
And all You've ever shown
Is love that's willing to go
To the ends of the earth for me
All I'll ever need
Is who You are to me
This love that's willing to reach
To the ends of the earth for me

I cling to a hope
And I hold it deep in my chest
I sing till there's nothing left
You'll always come through
Yes, You do
You'll always come through
You'll always come through, yeah

All I've ever known
And all You've ever shown
Is love that's willing to go
To the ends of the earth for me
And all I'll ever need
Is who You are to me
This love that's willing to reach
To the ends of the earth for me

You are who You say You are
You do what You say You'll do
So my heart will trust Your heart
I know that I know You'll come through
You are who You say You are
You do what You say You'll do
So my heart will trust Your heart
I know that I know You'll come through
I know that I know You'll come through
I know that I know You'll come through

All I've ever known
And all You've ever shown
Is love that's willing to go
To the ends of the earth for me
And all I'll ever need
Is who You are to me
This love that's willing to reach
To the ends of the earth for me, yeah

You'll always come through, oh-oh
Oh, oh-oh, oh

So amazing to think about my life
And after all that I've walked through
I still see that
All I've ever known is Your love, Jesus
Doesn't matter the ugliness of the past
Doesn't matter the pain of the past
This is how great Your love is
How redeeming Your love is
All that we can stand and say
All we've ever known
Is a love that calls out to me
All I've ever known
Is a love that runs to the ends of the earth
Just to find me
All I've ever known
Is a love that holds me close and
Never lets me go
All I've ever known
Is the love of my Father

All I've ever known
And all You've ever shown
Is love that's willing to go
To the ends of the earth for me
And all I'll ever need
Is who You are to me
This love that's willing to reach
To the ends of the earth for me
All I've ever known
And all You've ever shown
Is love that's willing to go
To the ends of the earth for me
And all I'll ever need
Is who You are to me
This love that's willing to reach
To the ends of the earth for me

'Cause You rewrite my story
Your love rewrites my story
How great is Your love, Jesus
Your love rewrites my story
So I can stand and say
All I've ever known is Your love
Your kindness, Your mercy, Jesus, oh-oh
And I can look back and see You
In every piece of the story
That is the redeeming power of Jesus
That is the redeeming power of Jesus
Oh, He rewrites Your story
You're no longer the same
He's in every piece of the story
Open our eyes to see it tonight
Open our eyes to see how nothing is wasted
Nothing is wasted, no
You rewrite our story
This is Your kindness
This is Your goodness
This is the cross
This is the work of the cross in our lives
We are no longer chained to the past
We are no longer enslaved to the past
We no longer have to carry the labors from the past
This is the work of the cross

This is the work of the cross
He makes all things new
He makes all things new, yeah, ah
He makes all things new, ha-ha
He makes all things new, yeah

All I've ever known
And all You've ever shown
Is love that's willing to go
To the ends of the earth for me
And all I'll ever need
Is who You are to me
This love that's willing to reach
To the ends of the earth for me
