

I Have Found

Kim Walker-Smith

I have found a peace that ploughs on through the storm.
I have found a joy that jumps over sadness.
I have found a love that lights up every room.
I have found, I've found You!

You are all I want, You are all I need,
Everything my heart could hope for.
We are longing for, the Glory of the Lord,
Cause we know there's so much more!

I have found a trust that teaches how to rest.
I have found a grace that guides me by the hand.
I have found a strength that stands like a mountain.
And I have found, I've found You!

You are all I want, You are all I need,
Everything my heart could hope for.
We are longing for, the Glory of the Lord,
Cause we know there's so much more!

Only You, fill my soul!

You are all I want, You are all I need,
Everything my heart could hope for.
We are longing for, the Glory of the Lord,
Cause we know there's so much more!
