

Love Came Down

Kim Walker-Smith

In a moment everything changed
On a silent night came the promised Child
In a stable so humble and poor
Unto us was born the Savior of the world

Love came down, hope was found
A star lit the sky, the angels cried "Glory!"
Light broke through the darkest night
Hope is alive, hope is alive
'Cause Love came down
Love came down

In a moment peace broke out
Now the Prince is here, there's no need to fear
In a manger, Eternity rests
Unto us was born the Savior of the world

Love came down, hope was found
A star lit the sky, the angels cried "Glory!"
Light broke through the darkest night
Hope is alive, hope is alive
'Cause Love came down
Love came down

Love has come for you
Love has come for me
All the Earth will sing
Emmanuel
Love has come for you
Love has come for me
All the Earth will sing
Emmanuel

Love came down, hope was found
A star lit the sky, the angels cried "Glory!"
Light broke through the darkest night
Hope is alive, hope is alive
'Cause Love came down
Love came down
Love came down
Love came down
Love came down
