

Spirit Break Out / Spontaneous

Kim Walker-Smith

Spirit break out
(Heaven)
Heaven come down
In our lives
In our homes, Jesus

Let us be overflowing
Overflowing with Your presence
Overflowing with Your presence, Jesus

Oh Spirit, yeah

Spirit break out
Break our walls down
Spirit break out
Heaven come down
(Fill us up tonight)

Spirit break out
Break our walls down
Fill us to overflow tonight
Overflowing tonight
Pour out, pour out, pour out Your Spirit, Jesus
Oh, yeah

Spirit break out
Break our walls down
Spirit break out
Heaven come down
(2x)

Oh, lift your voice
Lift your voice tonight
Oh, oh, oh,
Come now, come now
Yeah

Spirit break out
Break our walls down
Spirit break out
Heaven come down

Yes Jesus
Touch Your people
Heal Your people
Touch Your people tonight
Heal Your people tonight

Come Jesus
Come Jesus
Come Jesus

With a love that can't be contained
With a love that can't even be measured
Love that goes on and on and on, Jesus
Come tonight, Jesus

Jesus
Heal us tonight
Bring life tonight
Come Jesus
Come Jesus

Spirit
Spirit break out
Break our walls down
Spirit break out
Heaven come down
Yes Jesus
