

Stones

Kim Walker-Smith

Find me in the valley
Standing with my hands held high
The valley will never take my song
Find me in the desert
Holding onto You for life
The desert will never take my song
Oh, the desert will never take my song

I will praise You
I will praise You
I won't let the stones cry
I won't let the stones cry out
I will praise You
Something in me has to
I won't let the stones cry
I won't let the stones cry out

Find me with the promise
Dancing where You prophesied
Still shouting of everything You've done
High up on the mountain
I was made to testify
Forever, You will have my song
Oh, forever, You will have my song

And I will praise You
I will praise You
I won't let the stones cry
I won't let the stones cry out
I will praise You
Something in me has to
I won't let the stones cry
I won't let the stones cry out

The longer the wait, the longer I'll praise
The stronger the pain, the stronger my faith grows
The higher the need, the higher I'll reach
The greater the cost, the more I'll believe for
The longer the wait, the longer I'll praise
The stronger the pain, the stronger my faith grows
The higher the need, the higher I'll reach
The greater the cost, the more I'll believe for

And I will praise You
I will praise You
I won't let the stones cry
I won't let the stones cry out
I will praise You
Something in me has to
I won't let the stones cry
I won't let the stones cry out
I will praise You, hey
I will praise You
I won't let the stones cry
I won't let the stones cry out
I will praise You
Something in me has to

I won't let the stones cry
I won't let the stones cry out

And I will praise You
I will praise You
I won't let the stones cry
I won't let the stones cry out
I will praise You
Something in me has to
I won't let the stones cry
I won't let the stones cry out
And I will praise You
I will praise You, come on
I won't let the stones cry
I won't let the stones cry out
I will praise You
Something in me has to
I won't let the stones cry out (I won't let the stones cry)
Oh, I'm gonna praise You, oh-oh (I won't let the stones cry out)
I will praise You
I will praise You
I won't let the stones cry
I won't let the stones cry out
I will praise You
Something in me has to
I won't let the stones cry, oh
(I won't let the stones cry out)
I will praise You
I will praise You
I won't let the stones cry
I won't let the stones cry out
I will praise You
Something in me has to
I won't let the stones cry
I won't let the stones cry out
