

Back to Heaven

Kim Wilde

Tonight I'm gonna fly
Like a phoenix rising from the ashes of love
Towards the open sky
Gonna spread my wings and circle above
I've been too long on the ground
My head looking down

(You must believe)
You take me to heaven baby
(You must believe)
You take me to paradise
Don't you know it feels so good
You take me to heaven
(You must believe)
(You must believe)
(You must believe)
