Get your motor runnin' Head out on the highway Lookin' for adventure And whatever comes our way Yeah darlin' go make it happen Take the world in a love embrace Fire all of your guns at once And explode into space I like smoke and lightning Heavy metal thunder Racin' with the wind And the feelin' that I'm under Yeah Darlin' go make it happen Take the world in a love embrace Fire all of your guns at once And explode into space Like a true nature's child We were born, born to be wild We can climb so high I never wanna die Born to be wild Born to be wild
