

# Heaven

Kim Wilde

Tonight I'm gonna fly  
Like a phoenix rising from the ashes of love  
Towards the open sky  
Gonna spread my wings and circle above  
I've been too long on the ground  
My head looking down  
I don't want to be there again  
You gave me a love so real  
Now I can't believe how you're making me feel

You take me to heaven baby  
You're taking me higher and higher  
You take me to paradise  
Don' you know it feels so good  
You take me to heaven, Higher, higher

The sweetest liberty is a heart in chains that love sets free  
And so you came my way  
And I knew I'd found my destiny  
The pain and the tears have all disappeared  
And now I won't be crying no more  
I never felt so sure  
Cos I've found what I've been looking for

You take me to hea
